

Advanced microgrid solutions ams Oman

We are proud to announce that Fluence has acquired Advanced Microgrid Solutions" (AMS) artificial intelligence-driven software and digital intelligence platform, which enables optimized market bidding for flexible utility-scale storage and generation assets to ensure they are optimally traded in electricity markets.

Energy storage system integrator Advanced Microgrid Solutions (AMS) has secured US\$200 million of project finance from Macquarie Capital. The deal is thought to be the largest project funding deal in the sector so far. Proceeds will be used to design, build and operate facilities at commercial, industrial and government sites.
