

Al Nasr Solar Energy United Kingdom

We are a Middle East engineering company founded in June 1996 specialized in design, supply, install and maintenance solar energy systems such as solar pump system, solar power system for commercial and industrial enterprises, home and street lighting that we offer clean, economic and appropriate energy solutions.

Al-Nasr Solar has implemented hundreds of solar energy projects of various types, including Off-Grid, On-Grid, and Hybrid systems, across most Yemeni governorates in residential, commercial, governmental, service, agricultural, and industrial sectors.

Al Nasr Energy Services we combine the experience of personnel, first class equipment with cutting edge technology and a strong emphasis on innovation, reliability, quality, integrity and customer services. This orientation to customer needs and expectations is our mean to position (AES) as one of the most dynamic and fastest growing innovative ...

At Al-Nasr Solar for Energy Solutions, we offer off-grid solar systems designed to provide complete energy independence for locations that are not connected to the main power grid. These systems are ideal for remote areas, agricultural operations, and any application where reliable access to electricity is needed without relying on traditional ...

We are Alnasr Solar For Energy Solutions, the official and authorized agent in Yemen and Oman for JINKO SOLAR, a global leader in the production of solar panels, energy storage systems, and lithium batteries. We are also agents for BYD and Deye, as well as authorized distributors for TOP CABLE and ELUM.

The commercial sector is one of the most vital sectors, where electricity represents a significant portion of operating expenses, heavily influencing pricing and services. Al-Nasr Solar has helped commercial project owners by installing solar systems and energy storage solutions to provide 24-hour electricity. Key commercial sector projects ...

Jinko Solar panels are the number one choice in the agricultural sector. More than 7,000 solar energy systems (Jinko Solar panels) have been supplied and installed to operate water pumps on farms, particularly in coastal governorates such as Al-Hodeidah and Hajjah, as well as in desert governorates like Al-Jawf, Hadramout, and Abyan, and mountainous areas such as Sana"a, ...

During the period from 2020 to 2023, Jinko Solar, a leading manufacturer of solar cells, solar panels, and

Al Nasr Solar Energy United Kingdom

energy storage systems, supplied over half a gigawatt (520 MW) to the Yemeni market. This was accomplished through its primary authorized distributor in Yemen, Al-Nasr Solar, as well as other affiliated distributors across various Yemeni ...

Al-Nasr Solar is proud to be the first Yemeni company to supply and deliver a fully integrated energy storage system from Jinko Solar with a storage capacity of 270 kWh, a 100 kW three-phase inverter, and a 6000-cycle lifespan at 90% depth of discharge. This system was installed at the Yemeni Immigration and Passports Building, funded by the ...

Jinko Solar is a global leader specializing in comprehensive solar energy systems (solar panels and energy storage systems). One of their notable products is the 4.8 kWh Lithium Battery. which comes with the following specifications: Capacity: 4.8 kWh; Cycle Life: Long lifespan of 6,000 cycles, with an expected operational life of 10 to 15 years.

During the Global Future Energy Summit (WFES) 2024 held in Abu Dhabi, a partnership agreement was signed between Al-Nasr Solar for Energy Solutions and BYD, the renowned global company specializing in electric vehicles and energy storage systems. As a result of this agreement, Al-Nasr Solar is now the official authorized distributor for BYD ...

Al-Nasr Solar Company has a specialized technical staff with high efficiency and has great experience for several years in the field of electrical, solar and mechanical engineering, operating factories with generators, public electricity and electrical networks that exceed 10 MW, in addition to industrial engineering, artificial intelligence ...
