Is BMC A Good Company?

BMC has won races of all kinds, defined new categories, and maintained its reputation as a technological and engineering powerhouse. With its industry renowned Impec Lab, a skilled team of employees, and support for hundreds of athletes, the company's singular focus on speed has made it fast, unrelenting, and iconic. But they are not done yet.

Why is BMC a premium bike brand?

In the world of premium bike brands, we have spent decades building our sport and pushing technologies to the limits. The earliest days of BMC saw fast and monumental innovation across the bicycle industry. The late 80's and early 90's defined the ambitions of our sport, and BMC was perfectly positioned to make the fastest of those ambitions real.
