ARDESTO Electrical convector heater CHK-2000MW. The practical and affordable ARDESTO electric convector will help to optimize the microclimate in a room with an area of approximately 20 m². Due to the ability to adjust the heating power, you can easily and quickly create a warm and cozy atmosphere anywhere: both in your own home and in the office.

ARDESTO CHK-2000MW has three power levels to create an optimal temperature mode in the room: 750, 1 250 and 2 000 W. Adjustment is mechanical, a rotary wheel is built into the side surface of the case.
