JinkoSolar serves more than 200 countries, is a global leader in photovoltaic sales, and pioneers "vertical integration" in production. JinkoSolar owns 10+ globalized manufacturing bases. JinkoSolar actively shapes industry standards, contributes to international frameworks, and promotes diverse applications of photovoltaic technology.

In December 2020, JinkoSolar filed a prospectus supplement to sell up to an aggregate of US\$100,000,000 of the American depositary shares, each representing four ordinary shares of JinkoSolar, through an at-the-market equity offering program, which had been approved by its board of directors. This offering was completed in January 2021.

SHANGHAI, March 19, 2020 /PRNewswire/ -- JinkoSolar Holding Co., Ltd. (the "Company," or "JinkoSolar") (NYSE: JKS), one of the largest and most innovative solar module manufacturers in the world, today announced that Mr. Xiande Li, Chairman of JinkoSolar's Board of Directors, has completed his purchase of 200,000 JinkoSolar American depositary shares ("ADSs").

At the end of the 19th century, there was much dispute between the Germans and Americans over the Samoan archipelago, and in 1899 the Tripartite Convention was signed, assigning the eastern island group to America and the western to Germany (it was called Western Samoa until 1997 when it was renamed Samoa). American Samoa, obviously as the name ...
