Will EU funding cut Cyprus' electricity costs?

The 1,000 MW cable, which has received 657 million euros (\$694 million) of funding from the European Union, aims to cut Cyprus' electricity costs and end its energy isolation. Christodoulides said EU backing for the project is in line with the bloc's aim to achieve energy price parity in all member states by 2030.

Are Persian Gulf companies looking for natural gas in Cyprus?

NICOSIA, Cyprus (AP) -- Energy companies from Persian Gulf states have expressed interest in searching for natural gas off the southern coast of Cyprus, President Nikos Christodoulides said Friday.

Are Cypriots in early talks with unidentified companies about exploration licenses?

Speaking at an energy conference in Nicosia, he said Cypriot authorities are in early talks with several unidentified companies regarding exploration licenses for some of Cyprus' 13 areas, or blocks, inside an exclusive economic zone.

Is Cyprus in talks with the United Arab Emirates?

Regarding work currently underway to complete a 1.9 billion euros (\$2.1 billion) undersea electricity cable linking Cyprus with Greece, Christodoulides said Cypriot authorities are in talks with the United Arab Emirates over joint investment.
