Is farmers powering communities a good investment for Aggreko ETS?

Farmers Powering Communities is an ideal investment opportunity for Aggreko ETS, as the initiative brings together a development firm pioneering "social impact solar" in Edelen Renewables; America's leading farmland preservation organization, American Farmland Trust; and the nation's largest subscriber of community solar power, Arcadia.

Why did Infiniti acquire Aggreko?

This strategic acquisition significantly expands Aggreko's distributed solar capabilities and asset base, by integrating Infiniti's expertise in solar design, engineering, procurement and construction (EPC), together with its pipeline of onsite decarbonization projects.

Who is Aggreko KeyBanc Capital Markets?

For more information, please visit our website at [Home | Aggreko KeyBanc Capital Markets](#) is a leading corporate and investment bank providing capital markets and advisory solutions to dynamic companies capitalizing on opportunities in changing industries.

Aggreko ETS will oversee the construction, own and operate the clean energy project in support of a Texas energy producer's drive to decarbonize operations. Once complete, the system will provide Scope 1 and 2 greenhouse gas emissions reduction for the customer under a long-term power purchase agreement, Aggreko said in a press release.

HOUSTON, May 19, 2023 - Aggreko, the world's leading provider of mobile modular power, temperature control and energy services, today announced that the company's Energy Transition Solutions ("Aggreko ETS") division will become the strategic capital partner for the Farmers Powering Communities community solar initiative. Aggreko ETS ...
