

Esy sunhome Jamaica

Why should you choose ESY Sunhouse?

At ESY SUNHOME, we don't just offer products - we offer energy solutions designed to simplify your life and empower your future. Choose ESY SUNHOME for dependable, scalable, and innovative energy storage systems that are built to last. Founded in 2004, ESY SUNHOME has established as a key player in the battery and renewable energy industries.

Who is esysunhome?

Esysunhome is residential energy storage product brand of Shenzhen Lishengyuan Electronic Technology Co., LTD. (LESY), a well-known high-tech enterprise focusing on development and manufacture of battery & power supply and new energy products. The headquarters are set in Shenzhen, where is also our R&D and manufacturing base.

What are ESY Sunhouse's core values?

The German team sets a shining example of one of ESY SUNHOME's core values: unity and perseverance. This core value is threaded throughout the company, including our Australian team and headquarters members. They always remember their initial purpose, working tirelessly to bring more warmth and care to their customers.

traffic, offer enhanced functionality, social media features and personalise content and ads.

On May 27, Veken Holding Group Co.,Ltd. (hereinafter referred to as "Veken", stock code: 600152) and ESY SUNHOME held a strategic cooperation signing ceremony at the sodium battery production and commencement ceremony. ...

ESYSUNHOME has achieved a significant milestone by successfully developing the IEEE 2030.5 cloud-grid integration, enhancing the security of the digital energy grid. To enable real-time monitoring and control of photovoltaic energy storage systems, various data transmission protocols and control agreements, including IEEE 2030.5, have been devised.

ESY SUNHOME ("ESYSH"), a new energy storage product company, was originally formed as a lithium battery business, driven by world-leading protection systems and a highly professional R& D team. These were essential technical foundations as the founder looked to shore up his brand mission and vision.

As we expand globally, we're eagerly seeking strategic partnerships. ESY SUNHOME, a premier energy storage solutions provider for homes and businesses, is backed by advanced Battery Management Systems (BMS) and Energy Storage Systems (ESS) capabilities, supported by our professional Research and Development team.

The ESY SUNHOME HM series intelligent residential energy storage system integrates an inverter, battery, and Internet connectivity. It seamlessly connects to the power grid, photovoltaic panels, and mobile devices. This innovative system delivers reliable electricity to households, small businesses, and farms.

At ESY SUNHOME, we leverage over 20 years of industry expertise to design and manufacture cutting-edge energy storage solutions that meet the demands of modern living. Headquartered in Shenzhen, China, our company has grown into a global leader in battery and power supply technology, with a commitment to innovation, quality, and sustainability.

ESY SUNHOME hat mittlerweile Niederlassungen in Sydney, Australien, und München, Deutschland, und verfolgt langfristig das Ziel, zu einer globalen Marke zu werden. Mission: Jeder Familie sichere und hochwertige Energiespeicherprodukte bereitstellen. Vision: Saubere Energie für jede Familie zugänglich machen. Kernwerte:

****The HM6 system****, developed by ESY SUNHOME, integrates a 6kW inverter and battery pack (5-30kWh) into a single photovoltaic storage unit. Utilizing proprietary BMS technology and IoT, paired with AI intelligence, and boasting IP66 waterproof, dustproof, and low-temperature resistant features, the HM6 system transitions traditional project ...
