What is French Polynesia?

French Polynesia (French: Polynésie française, Tahitian: Porinetia Farani) is a French "overseas collectivity" (French: collectivité d'outre mer, or COM) with the particular designation of "overseas country" (French: pays d'outre-mer, or POM) in the southern Pacific Ocean. The country is made up of several groups of Polynesian islands.

What is French Polynesia made up of?

The country is made up of several groups of Polynesian islands. The most well-known is Tahiti, the most populous island, which is in the Society Islands group. The capital of the territory, Papeete, is also there. Although it does not really belong in the territory, French Polynesia is in charge of affairs for Clipperton Island.

What islands are in French Polynesia?

The archipelagoes of French Polynesia are the Society Islands, Tuamotu Archipelago, Gambier Islands, Marquesas Islands, and Tubuai Islands. The capital, Papeete, is on Tahiti, French Polynesia's largest island (403 square miles [1,043 square km]), in the Society group. French Polynesia in Tahitian is Polynésie Farani.

What is the climate like in French Polynesia?

French Polynesia enjoys a tropical climate and temperatures hover around 25-30°C (77-86°F) year-round. There are only two seasons: the dry season and the rainy season or "hot and hotter." The dry season, from May to October, is when the weather is generally sunny and pleasant.

When did French Polynesia become a country?

The first islands of French Polynesia to be settled were the Marquesas Islands in about 200 BC. The Polynesians later ventured southwest and discovered the Society Islands around AD 300. [7]

Which is the most populous island in French Polynesia?

Tahiti, which is in the Society Islands group, is the most populous island, being home to nearly 69% of the population of French Polynesia as of 2017 [update]. Papeete, located on Tahiti, is the capital of French Polynesia. Although not an integral part of its territory, Clipperton Island was administered from French Polynesia until 2007.
