Sangamo is entitled to receive \$50m from Genentech in near-term upfront license fees and milestone payments, and could receive \$1.9bn in development and commercial milestones across multiple potential products, as well as tiered royalties on net product sales.

Protect your home from the risks caused by sudden power outages with a generator from Generac, the industry leader, installed by the experts at Gentech. In the event of a power failure, these reliable systems automatically start up, supplying electricity to your home until the local power utility restores service.
