We are a high tech company in lithium battery developing, Designing, Manufacturing, which Based in Hunan. With manufacturing base and Battery cell warehouse at Dongguan Guangdong .Our mission is to offer safe, high quality, environmental battery all over the world. We Mainly produce medical device battery, E Bike battery, motorcycle battery, AGV battery, Robot Battery, Home ...

The manufacturing and maintenance business of new energy vehicles, smart cars, aircrafts, robots, marine engineering equipment, yachts, and other high-end equipment will be promoted in industrial parks like Haikou National Hi-tech Industrial Development Zone, Yangpu Economic Development Zone, Chengmai Old Town Economic Development Zone, Ding'an Taling ...

Our products have covered: Residential, commercial & industrial, on/off-grid, micro-grid energy storage and energy management system, EV chargers, battery cell, PV solar panels. For residential energy storage system, the power is from 3kW to 20kW, with related battery from 5kWh to 30kWh, which can meet with most families' daily need.

On October 30, State Grid Hunan Comprehensive Energy Service Co., Ltd. issued a bidding announcement for four renewable energy bundled energy storage projects in the cities of Chenzhou, Yongzhou, Loudi, and Shaoyang. Bidding has been divided into four contracts, which include 22.5MW/45MWh of capacity

Hunan Hope New Energy Technology Co., Ltd. was established in 2019 with a registered capital of 30 million yuan. Its predecessor, Shenzhen Weinengxun Electronics Co., Ltd., was established in 2009 and is committed to the research and development of energy storage solution design.
