Find company research, competitor information, contact details & financial data for ITM COMMUNICATIONS, INC. of Cebu City, Cebu. Get the latest business insights from Dun & Bradstreet.

The main competitors of ITM Power include Morgan Advanced Materials (MGAM), Goodwin (GDWN), Avingtrans (AVG), Crestchic (LOAD), Castings (CGS), Mpac Group (MPAC), Renold (RNO), PowerHouse Energy Group (PHE), Clean Power Hydrogen (CPH2), and Graft Polymer ...

ITM Power ranks 18th among 308 active competitors. 93 of its competitors are funded while 17 have exited. Overall, ITM Power and its competitors have raised over \$4.56B in funding across 224 funding rounds involving 522 investors. There is 1 private unicorn, 12 public and 5 acquired companies in the entire competition set.

About ITM Power. ITM Power is a company that focuses on the design and manufacture of electrolyzers in the energy sector. The company's main products are electrolyzers that use proton exchange membrane (PEM) technology to produce green hydrogen, a net-zero energy gas, from renewable electricity and water.

The all-new ITM Power Germany GmbH will officially open its doors in Linden, north of Frankfurt, in October this year. For ITM, this expansion further strengthens our position as a leading manufacturer of large-scale electrolyzers for active projects in Germany and wider Europe today, as well as for future projects which are now in bidding stage.

Intelligent Energy is a world leading fuel cell engineering company focused on the development, manufacture and commercialisation of its Proton Exchange Membrane (PEM) fuel cell products, for customers in the automotive, stationary power and Unmanned Aerial Vehicle (UAV) sectors.

ITM Power's top 9 competitors are Nel, Plug, ProtonOnsite, Hydrogenics, HyTech Power, Oort Energy, Pure Energy Centre, Green Hydrogen and IMI Critical Engineering. Together they have raised over 5.1B between their estimated 3.4K employees. ITM Power has 359 employees and is ranked 3rd among it's top 10 competitors.
