What drives international growth at krannich solar?

Krannich Solar's PV experts offer optimised system solutions for each market. Another driver of international growth at Krannich is the consistent expansion of online retail. Currently, customers can buy online in 12 branches, with no plans of stopping. Poland and the Czech Republic are currently in the process of getting an online shop.

Is krannich solar ready for the future?

Despite the sometimes-difficult supply chain situation, Krannich Solar feels well equipped for the future. "We will close this year with growth of about 50 per cent," says Jens Ullrich, Chief Revenue Officer, "and expect strong growth in 2022 as well. The demand for PV is rising worldwide, including those in the wholesale industry.

Why should you choose krannich solar?

These new branches will cater to the growing customer base and the dynamic growth of the photovoltaic market in these countries, and to provide support locally. Despite the sometimes-difficult supply chain situation, Krannich Solar feels well equipped for the future.
