Why should you choose Lifetide smart energy?

Whether it's through solar panels, energy storage solutions, or intelligent energy management systems, LiFeTIDE Smart Energy will help you take charge of your energy consumption. As a forward-thinking company, LiFeTIDE Smart Energy stays ahead of the curve by keeping up with the latest industry trends and technological advancements.

How long does it take to buy a Lifetide 5kwh battery?

I know this thread is a few months old but I thought I will share my experience with the LifeTide 5Kwh battery. The online buying process was fair. The battery was delivered to Durban in 3 days. The battery is shipped with 4 comms cables, 2 with labels "Deye" and "Lux".
