HY Energy was appointed to be the drafter of off grid wind solar generating safety requirement standard No. (20074719-T-604) based on the advance technology inaugurator of perfect matching design on wind blade and generator and the perfect matching on wind energy and solar energy. Guangzhou HY Energy Technology Limited Corp.

Guangzhou HY Energy Technology Limited Corp. 29 likes. HYE was founded in 2001 and until 2021, its" product were sold to over 150 countries and areas.... HYE was founded in 2001 and until 2021, its" product were sold to over 150 countries and areas.

HY Energy Co., Ltd has made tremendous contributions to improve national wind generator manufacturing level under the breakthrough technique on wind turbine design conception and production craft since 2001, meanwhile, our breakthrough technique on wind-solar hybrid power system has also led a large scale application in real circumstance.

HY Energy - Power the world with you... The first wind solar hybrid street. HY Energy - Power the world with you... HYE wind turbine was passed on ... Address:No.10, Yongfa Avenue, Xinhua Street,Huadu District,Guangzhou, China; Tel:+86 20 36888000; Fax:+86 20 36892823; Email 1:hy@hyenergy .cn; Email 2:sales@hyenergy .cn;

The Relentless Pursuit of Perfection Cutting-edge Technology - HY Energy has been investing capital and efforts in R& D and manufacturing workmanship every year in order to improve wind turbine efficiency and reliability. We are putting efforts to develop and implement wider application fields of wind turbine and wind-solar hybrid system; we are becoming the pacemaker of world ...

Guangzhou HY Energy Technology Limited Corp. Is a high-tech enterprise engaged in designing, manufacturing, marketing on highly reliable small wind turbines and serving in wind-solar hybrid power system integration technique.

Guangzhou HY Energy Technology Limited Corp. | ????? 215 ????? Focus on quality, service first | HYE was founded in 2001 and until 2021, its" product were sold to over 150 ...

Guangzhou HY Energy Technology Limited Corp. is a high-tech manufacturer focused on design, production and application of high performance and reliable small wind turbine products. HYE factory was established in 2001 located in northern part of Guangzhou city, factory has 150 workers, and a 10 people R& D team dedicated in higher performance and ...
