Are Falkland Islands impacted by sea lion field Northern Development Area?

In late June, the Falkland Islands began a public consultation on the environmental impact of the Sea Lion Field Northern Development Area, located 220km to the north of the small island group. The consultation is thought to have garnered widespread support from the islanders, who number around 3,500.

How much oil does the Falkland Islands hold?

According to multiple UK media reports over the weekend, the vast and untapped basin holds at least 800 million barrels of oil. In late June, the Falkland Islands began a public consultation on the environmental impact of the Sea Lion Field Northern Development Area, located 220km to the north of the small island group.

Will the Falkland Islands recover its oil & gas production?

Most of the remainder could be recovered under further plans. The government of the Falkland Islands has approved production despite Labour blocking new oil and gas licences shortly after coming into office, risking an embarrassment for Ed Miliband, the Energy Secretary.

Will Navitas Petroleum invest in sea lion?

Navitas Petroleum is promoting a development plan for the project and a financing package. Previous owners in the Sea Lion field drilled 20 exploration and appraisal penetrations. Past investments amount to approximately USD 1.3 billion. Navitas Petroleum anticipates that a final investment decision (FID) will occur in 2024.

Can the UK stop Falkland from exploiting oil and gas reserves?

The UK cannot stop the Falkland's authorities from exploiting oil and gas reserves as the islands lie outside of the jurisdiction of UK ministers and effectively govern themselves. As previously reported, the small territory has already rejected a request from the UK to ratify the Paris Agreement on climate change.

Is the Falkland Islands a 'devolved matter'?

A statement from the islands' government over the weekend again reiterated its independence from the UK, adding that the "development of the natural resources of the Falkland Islands is a devolved matter and is for the people of the Falkland Islands to decide".

We pride ourselves on our history of continued support to the Falkland Islands since 1851, offering an extensive range of supplies and services to our small yet robust community, as well as the public and private sector both locally and internationally.
