ZASOLAR is an energy company, a champion of innovation for renewable and sustainable energy access for all in Malawi. Our mission is to enhance access to affordable renewable and sustainable energy in the last-mile and underserved communities through a distribution network that involves often excluded groups such as women and youth.

Amazon : Renogy 200 Watt 12 Volt Portable Solar Panel with Waterproof 20A Charger Controller, Foldable 100W Solar Panel Suitcase with Adjustable Kickstand, Solar Charger for Power Station RV Camping Off ...

The figures in the table suggest that portable solar panels are best suited to power relatively small electrical appliances. This is because they typically don't produce enough electricity to power large appliances, such as full-sized refrigerators or washing machines, or to charge the battery of an electric car.. To do this, you would need multiple large portable solar ...
