

Price of solar inverter Isle of Man

Manx Solar Electrical undertakes every aspect of the installation, including annual servicing plus all requisite maintenance work. With utility prices rising and green issues climbing the agenda, there has never been a better time to invest in alternative energy sources.

Considering the capacity of your system, the average price of a solar PV system is between £5,000 and £8,000. For example, if you choose a 3kW system, this will cost around £5,000, while a 5kW system will be closer to £8,000.

Manx Solar Electrical are the Isle of Man's exclusive Stiebel Eltron service partners. We are also a Mitsubishi ASHP service partner and Dimplex approved and accredited installers. Our engineers install high performance JA Solar / REC and Sun Power solar modules together with SolarEdge optimisers and inverters.
