Who is Q-Sun Anhui?

Company profile for solar panel and Component manufacturer Q-SUN Anhui Co., Ltd - showing the company's contact details and offerings.

Who is Q Sun solar?

Q-SUN is at the leading level in the field of intelligent production and manufacturing of photovoltaic modules. Q-SUN Solar is an international enterprise, focusing on the R&D, production and sales of PV modules. Q-SUN is at the leading level in the field of intelligent production and manufacturing of photovoltaic modules.

Where is Q-Sun based?

The company has seen significant growth since its inception in 2014 in Chuzhou City, situated along the Yangtze River. With a decade of focused industrial evolution, Q-SUN operates three international research and manufacturing hubs, annually delivering over 4GW of efficient photovoltaic modules.

What is the Q-Sun solar nebula series?

The Q-Sun Solar Nebula Series is an advanced range of heterojunction solar cells (HJT) that features high-efficiency energy absorption and conversion capabilities. The Nebula Series is characterized by its lower temperature coefficients and excellent low-light performance, making it particularly suitable for high-temperature environments.
