Saint Helena has a known history of over 500 years since its recorded discovery by the Portuguese in 1502. Claiming to be Britain's second oldest colony, after Bermuda, this is one of the most remote settlements in the world and was for several centuries of vital strategic importance to ships sailing to Europe from Asia and South Africa. Since the early 19th century, ...

The St Helena Advocate and Weekly Journal of News, published in 1851, was the first island newspaper, but closed two years later mainly due to competition from the government-funded St Helena Chronicle (1852). This short publication ...

The landing of St Helena's branch of the Equiano cable on 26 August 2021 marked the first shore cable-landing in the entire Equiano project. St Helena's cable branch (linking the Island to the main trunk of the Equiano cable) should ...

With a rich and fascinating history spanning over 500 years, St Helena has been a vital strategic location for ships sailing to Europe from Asia and South Africa. Its unique geographical location has also made it a significant location for scientific research and exploration.

5 ???&#0183; Geolocation of Saint Helena Island. Napoleon I's exile to St. Helena encompasses the final six years of the deposed emperor's life, commencing with his second abdication [note 1] in 1815 and concluding with his military defeat at the Battle of Waterloo and the subsequent Hundred Days.. Upon reaching Rochefort, Napoleon I was unable to travel to the United ...

At the time of writing, Europe had had its most successful year in terms of Power Purchase Agreements (PPAs) with a record 7.8GW of renewable energy contracts signed. As we gather in May 2024 for the third edition of the Renewable Energy Revenues Summit, the energy landscape continues to evolve rapidly, influenced by the beating drum of climate ...

Saint Helena is a remote island in the South Atlantic Ocean, known primarily as the site of Napoleon Bonaparte's exile following his defeat at the Battle of Waterloo in 1815. The island served as a strategic location for the British to ensure that Napoleon would not return to power, isolating him from European affairs and marking the end of his ...

OverviewHistoryGeographyAdministrative divisionsPopulationGovernmentHuman rightsBiodiversitySaint Helena is one of the three constituent parts of Saint Helena, Ascension and Tristan da Cunha, a remote British overseas territory. Saint Helena is a volcanic and tropical island, located in the South Atlantic Ocean, some 1,874 km (1,165 miles) west of the mainland of the continent of Africa, with the Southern African nations of Angola and Namibia on its southwest...

The island of St. Helena was chosen as Napoleon's last place of residence. The fact that it was lost in the middle of the Atlantic, between Brazil and Angola, was already an advantage. Unlike Elba, Napoleon would be so ...

The company, once seen as Europe's key electric vehicle battery producer, is now focusing on survival by reducing its operations due to production issues, the loss of a key customer, and ...

Saint Helena is a volcanic and tropical island, located in the South Atlantic Ocean, some 1,874 km (1,165 miles) west of mainland Africa, with Angola and Namibia being the closest nations, geographically. The island is located around 1,950 km (1,210 mi) west of the coast of southwestern South Africa, and 4,000 km (2,500 mi) east of Rio de Janeiro, Brazil.

The island of St. Helena was chosen as Napoleon's last place of residence. The fact that it was lost in the middle of the Atlantic, between Brazil and Angola, was already an advantage. Unlike Elba, Napoleon would be so far from any continent that to escape would be considered a complete absurdity.

The St Helena Advocate and Weekly Journal of News, published in 1851, was the first island newspaper, but closed two years later mainly due to competition from the government-funded St Helena Chronicle (1852). This short publication period was ...

The Chief Minister has announced that SHG and the UK government (UKG) have reached a cooperation arrangement in relation to future migrants arriving on the British Indian Ocean Territory (BIOT)/Chagos Archipelago from 16 October 2024. It was for the St Helena ministerial team alone to decide if they wished to offer the United Kingdom this [...]
