Although quite close in proximity, St. Maarten/St.Martin is NOT part of the Virgin islands, a common mistake made by many, undoubtedly because of the name starting with "Saint". The name. Sint Maarten (St. Maarten) is the Dutch name for the island while the French call it Saint Martin (St. Martin).

Absolute Power Solutions is a small, locally owned business, providing electrical and generator services to communities in Mississippi and Alabama. While our start began solely with residential electrical work, time and experience have enabled us to move forward into commercial projects and generator services!

When traveling to St. Martin or St. Maarten, knowing what type of electrical plugs and voltage are most common can help ensure your electronics stay powered throughout your stay. The island, known for its unique dual governance split between the French side - St. Martin, and the Dutch side - St. Maarten, presents travelers with different electrical standards ...
