Are signature solar panels in good condition?

Signature Solar listed them as being in "great condition". As you can see in the pictures, they were in no such condition. In regards to the integrity of the panels, I'm not an expert, so I have no idea what sort of problems the cracks on the backside can cause.

How do I contact signaturesolar?

If you have any questions or concerns, you're welcome to reach out to us at engagement@signaturesolar.com! This company is great! Made the whole process easy with the sales support! 100/10 would recommend. Date of experience: July 08, 2024

Why did you buy solar panels from signature solar?

The only reason I bought the panels from Signature Solar was because Santan Solar was out of stock at the time. From the photos it looks like the backsheet has excessively weathered. In my opinion that isn't necessarily going to lead to failure from moisture intrusion.

Install a complete off-grid or grid-tie system using equipment from Signature Solar. You can put it indoors and lay panels on the ground outside to skip the mounting and conduit steps, not relevant to learning the support issues.

Here is a my run down of my signature solar experiences. I ordered roughly 17k worth of solar panels and batteries from them last march. The order was straight forward, shipment took place shortly after I placed the order.
