

Soch solar Belgium

Our mission is to deliver reliable, sustainable solar solutions using cutting-edge technologies like Gallium Nitride (GaN) semiconductors. We are committed to excellence in Solar PV installations and passionate about promoting sustainability, including initiatives like recycling old batteries to minimize environmental impact.

Uncover the story behind Soch Solar--our beginnings, our passionate team, and our vision for the future of sustainable energy. At Soch Solar, our foundation is built on innovation, sustainability, and a passion for renewable energy.

At Soch Solar, we're dedicated to offering you all the support and resources you need to make the most of our products. Whether you're seeking answers to your questions, need technical assistance, or want to stay informed about the latest updates and innovations, we've got everything covered. Explore the various support options below to ...

Chez Belga Solar, en plus de vous fournir des panneaux solaires; nous vous offrons une solution énergétique complète. Avec plus de 15 ans d'expérience dans le domaine, nous sommes fiers d'être une entreprise 100% belge s'engageant pour la durabilité; et l'innovation.

Chez Belga Solar, en plus de vous fournir des panneaux solaires; nous vous offrons une solution énergétique complète. Avec plus de 15 ans d'expérience dans le domaine, nous sommes fiers d'être une entreprise 100% belge ...

Soch means "thought," and at Soch Solar, we believe every thought can spark a revolution. Our vision is rooted in transforming these thoughts into sustainable solar solutions that empower the world. Our mission is to deliver reliable, sustainable solar solutions using cutting-edge technologies like Gallium Nitride (GaN) semiconductors. We are committed to excellence in ...

At Soch Solar, we are committed to keeping our platform and user data secure. We have implemented a number of security best practices, including: o Cloudflare firewall rules to protect against common threats. o HTTPS encryption to secure data in transit. o Continuous monitoring for potential vulnerabilities.

Founded in 2018, Soch Solar began as a retail and engineering firm, providing innovative solar energy solutions. In 2020, we launched Soch Innovations, pushing the boundaries of solar technology, including our world-first GaN-based solar charge optimizer. Our journey continues as we strive to revolutionize the solar energy landscape through ...
