What is solar & storage live Zurich 2025?

2025 Dates announced! Following the success of the inaugural Solar & Storage Live Zurich, we invite you to join us in 2025 as we spearhead the revolution towards a brighter, greener future! Our mission is to accelerate the adoption of solar energy propelling us towards a global landscape powered by clean, renewable energy sources.

Is the Sun a good source of energy for Iraq?

An important day for Iraq in its journey towards green energy. One of the essential tools Iraq has in its fight against climate change is the infinite potential of the sun as a source of energy.

Could a 'OSC' be a solution to Iraq's solar energy crisis?

The Iraqi Ministry of Electricity has been aiming at increasing the share of renewable energy in Iraq but was faced with several challenges including the contractual process for utility scale solar energy. The OSC are a potential solution that could be tailored to the Iraqi context.

Why should you attend Solar & Storage?

“Solar & Storage is a highly-professional and very well organised event. It brings together industry experts, thought leaders and friends into one place. It enables us to network, educate and create many happy memories together. The event is appreciated by all who attend.” “The event is simply the best in the market for Solar, Storage and EV.

Driven by increasing demand in Europe, Solar & Storage Live Zurich launches as a cutting-edge, innovative, and exciting renewable energy exhibition that highlights technologies leading the way towards a greener, smarter, and more decentralised energy system. Join us in Zurich on 17th & 18th September 2024, for what's set to be Switzerland's largest solar & ...

Solar & Storage Live Zurich takes place 17-18 September 2024 at Messe Zurich and brings together 150+ solar and storage manufacturers, local players and distributors showcasing innovative products and new ways of thinking to support the energy transition.
