The Solar-Powered Daylight Dimmer uses a patented butterfly baffle in the tube and a convenient wireless remote to let you adjust light levels simply and easily. [More Info Tubular Skylight Accessories](#)

Extension tubes can be added in increments of 16 in. (400 mm) or 24 in. (600 mm) for long runs without sacrificing performance. The secret is the unrivaled reflectivity of Spectralight®; Infinity tubing, making it possible to create long tube runs up to 30 ft. (9 m). 160 DS/ISn; 290 DS/ISn

The Tuvalu Solar Power Project Decreasing reliance on fuel and enhancing renewable energy-based electrification in the small island state of Tuvalu. E8 funded project. The E8 comprises of 10 leading electricity companies from the G8 countries promoting sustainable energy development through electricity sector projects and human capacity building ...

Solar Roof-Mounted Fans Open ceiling garages Solar roof-mounted fans are an ideal solution for garage and storage spaces with open ceilings, especially when the sun is beating down on your garage's roof and there's no insulation. The solar fan runs all day without adding cost while keeping the entire space cool.

The Solatube® Daylighting System features passive daylighting technology that does not rely on moving parts, making it virtually maintenance-free. All assemblies (dome, flashing, tubing, diffuser) have seals to prevent bug and dirt infiltration. In addition, the dome and flashing are designed to eliminate debris build-up.

Decreasing reliance on fuel and enhancing renewable energy-based electrification in the small island state of Tuvalu. E8 funded project. The E8 comprises of 10 leading electricity companies ...

Find A Solatube Premier Dealer Say goodbye to dark, stuffy spaces and hello to a brighter, more comfortable home--effortlessly. Solatube Premier Dealers are your trusted residential daylighting and ventilation experts, trained and certified to deliver a flawless experience from consultation to installation. With solutions customized to your unique needs, they'll have you enjoying natural ...

A Suva based company has been awarded a contract to help install solar systems in three Tuvalu islands. The clean and sustainable source of energy will allow the Government of Tuvalu to save up to 120,000 litres of diesel a year translating into a savings of \$AUD200,000.
