Solar warehouse great. Courier Guy not so great. No issues with Solar Warehouse but I haven't received my inverter yet and it's now been 7 days. Delivery was supposed to have been last week already by the Courier Guy. It seems they left my parcel sitting in their warehouse for a week. It finally arrived today. Date of experience: March 25, 2024

Solar Warehouse kept me posted at each stage of shipment and delivery. Trust is hard earned and easily lost. I got what I paid for in less than a week and the product works well. The price was excellent and I would highly

Excellent service. I'm in CPT and been looking for good prices, Solar Warehouse has them. The communication is quite good, either via email or directly contacting them, which seems to be something that's becoming more absent from businesses nowadays. I had an issue with one of my items, and they were willing to swap it out, no problem.
