1 ??#0183; This marks the first commercial solar installation in St. Maarten by Sol Ecolution, which is currently in talks with other companies to install similar renewable energy systems. The installation also makes NIPA, which offers advanced vocational education for students, the first academic institution on the islands to embrace renewable energy.

Les projets promus par SOLARGROUP re#231;oivent un investissement n#233;cessaire par le financement participatif: cela signifie que les investissements proviennent d'un nombre illimit#233; de petits et moyens investisseurs. ...
