

Solaris solutions Iran

In response to the energy challenges in conflict-ridden Middle East regions and the growing threat of climate change, Solaris Solutions was born from an innovative engineering capstone project. Focused on a stand-alone off-grid solar system, the project aimed to combat unreliable electricity supply and carbon footprints in the region.

Solaris Solutions es una agencia especializada en soluciones digitales. Nos distinguimos por nuestro enfoque minimalista y eficiente en encontrar una ruta crítica, adaptándonos para ofrecer un funcionamiento óptimo.

Solaris showcased its innovative solutions at Custom Show Emirates 2024, the largest car show in the region, focusing on networking and enhancing brand awareness. Solaris expanded its reach by providing portable power stations, bringing electricity to homes in Iraq.
