Who is Greenlight planet?

Greenlight Planet is now officially Sun King, the brand customers know and trust. Sun King designs, distributes, installs, and finances solar energy solutions for the 1.8 billion people without reliable access to the electricity.

Does Greenlight planet offer solar home systems?

Greenlight Planet offers solar home systems and financing to off-grid communities in 62 countries, relying on the direct-to-consumer, pay-as-you-go (PAYG) model. Its line of Sun King solar-powered products includes lighting, home energy systems, phone chargers, radios, fans, and soon-to-be-released TVs.

Will Greenlight planet become Sun King?

Greenlight Planet will now simply become Sun King! "Sun King" - it's been the name of our products from day one, and most customers already think Sun King is the name of our company. So, we'd like to retain this and completely transition to an already popular identity.

Who was nominated for a 'greenlight Planet' Award?

Sun King (Greenlight Planet) was nominated for the award by Citi. The nomination came after Citi coordinated a USD 75M in local currency debt financing to help with the expansion of solar to off-grid communities throughout Kenya. The other lenders included CDC Group plc, Norfund, and Standard Bank Group.

CHICAGO, Feb. 5, 2015 /PRNewswire/ -- Fidelity Growth Partners India led a \$10 million financing in Greenlight Planet, a leading US-based company that distributes solar energy products for off ...

Greenlight Planet's durable, affordable and desirable solar PV products provide clean light to off-grid customers. Selling by village-level agents, micro-finance institutions, commercial organisations and not-for-profits, their variation of prices of products and their system of how they are paid for has allowed them to provide clean light ...
