Sri Lanka era solar panel

Like most people in Sri Lanka I too was on the look out for a viable solution to the looming power bill. I came across REM Solar on FB amongst many other vendors all of whom I contacted. The response however was totally different from REM, the response to educate on the workings of the system was primary rather than to make a sale.

My Solar is an all in-one full service solar energy provider in Sri Lanka. Our in-house team will take care of every part of your project. From custom system design, permissions, sourcing, ware-housing, engineering, installation and ongoing system maintenance and monitoring.
