In response to a power shortage, utility-scale solar power plants have become one of the most important solutions for improving power generation. Sungrow has introduced the SG350HX-20 string inverter and 1+X modular inverter to Pakistan market, which help plant owners achieve higher yield and smarter operation and maintenance..

Despite these obstacles, Sungrow has teamed up with Smart Commercial Solar to deliver more than 3.32 MW installed PV size capacity of solar power across 32 Opal HealthCare communities, each consisting of various separate buildings with unique energy demands and grid board capacities.

Der Sungrow besticht hauptsächlich durch das Preis-Leistungs-Verhältnis und die Garantiezeit. Ich bin vom Kostal auf Sungrow umgestiegen - als alternative hätte ich (noch vor dem Preis-Wahnsinn durch Ukraine) den Fronius gehabt - der wäre aber um ca. 1000,- teurer gewesen. Das Produkt Sungrow SHxxRT ist sicher ausgereift und in Ordnung.
