What's new at Belga solar?

With our new name Belga Solar (formerly Evocells), we reaffirm our identity, commitment to quality, sustainability, and innovation. We look forward to guiding you in your solar energy projects. At Belga Solar, we take our environmental responsibility seriously. That's why we have adopted a proactive approach to reducing our carbon footprint.

Are solar panels a good choice in Belgium?

We quickly realized that the quality of solar panels available in Belgium was uneven. Faced with this observation, we invested in quality control equipment for solar panels. This led us to seek more reliable and sustainable solutions for our customers. In 2012, we took a major step by becoming manufacturers of photovoltaic panels.
