eTech Solar is accelerating the adoption of quality yet affordable solar technology across Vanuatu to conserve our environment and provide an environmentally friendly and sustainable power supply. We aim to be the best solar supply and installation company in Vanuatu for households, communities, villages, aid posts, hospitality industry ...

Solar energy is freely and abundantly available, virtually anywhere on earth, but especially in Africa. Solar power shields homeowners and businesses from power blackouts and future electricity price hikes. The carbon footprint of solar power generators is much lower than that of coal or gas-fired power plants (about 10 to 20 times).

At Better Energy, our focus is on preserving and enhancing the effectiveness of your solar systems. Our services include annual panel cleanings, preventive maintenance, and PV system inspections to ensure optimal performance. We ...
