Is Mercuria partnering with Zambia?

(Bloomberg) -- Mercuria Energy Group is teaming up with Zambia on a metals trading venture, the latest example of a commodity house partnering with a mineral-rich state to secure access to key resources. Most Read from Bloomberg Mercuria will join forces with Zambia's Industrial Development Corp., it said in a statement on Thursday.

What does a copper joint venture mean for Zambia?

The joint venture will buy and sell copper domestically and for export, and over time will take responsibility for trading Zambia's share of copper output from the mines in which a state-controlled firm is a shareholder, according to people familiar with the matter.

Will Mercuria join Zambia's Industrial Development Corp?

Most Read from Bloomberg Mercuria will join forces with Zambia's Industrial Development Corp., it said in a statement on Thursday. The Geneva-based company, which hired Trafigura Group veteran Kostas Bintas to build out a metals trading unit this year, is pushing to increase its exposure to copper.
