How do you get solar panels in starlet town?

You'll have to reach Diving Level 7 to unlock the crafting recipe for solar panels in Coral Island. Depending on how you like to spend your free time in Starlet Town, this can take some time to accomplish. That said, racking up levels can be done by activating solar orbs and completing shrines.

Does Ling sell solar core?

Now Ling is selling Solar Core. But I need sea scavengeables to build the sprinkler too. The picture shows shells, but they're not working. The same for critters and kelp. Hi hi awesome testers!

The one on the left has been completely filled like that for several in-game days. I created another one and it seems to be working as it should (for now), but I'm wondering if they stop working after a while or if it's bugged. Anyone else having trouble with the solar panels?

I have my farm underwater and having been accumulating solar fragments, but when I go to Ling's Lab there is no Solar Cores being sold. They were only sold there for one update, as a way to get them because the cores and fragments hadn't been added to ...
